Welcome back to Storm Netball Club for Winter Netball in 2012.

2011 saw the very successful season with 7 Grand Final winners. CONGRATULATIONS TO ALL. With the very Large increase in 17 & under players we desperately need more coaches, Senior players are asked to assist with this venture with coaching and or specialist coaching these young players. This will continue to be a very exciting time for the new young players as well as the Club and we ask that all members embrace this venture.

Registration

To register for the 2012 Winter Netball with STORM Netball Club, please attend Registration Night at Matthews Netball Centre in the Main Hall between 6:00pm and 7pm on Tuesday 7th February 2012, it will be an opportunity to try on uniforms and if any players have any uniforms they wish to hand back to the Club to sell second hand. All players come prepared to train on 14th February 2012. Registration Forms will be available both nights.

Fees:

Due to the great fundraising last year we have been able to keep the increase for 2012 to a minimal and we are starting the season with a small amount of money in the bank. This still means that all Uniform Money MUST be paid on Registration Night and ½ your FEES. The Club fees (detailed below) include your WA Netball Membership fees, Player fees to Bullets Regional Teams and the 50c per week gate pass. Again, all spectators will have to pay the 50c gate fee on entry to the centre. The moneys raised on the gate takings are used to contribute to the cost of court upgrades. All donations are welcomed by the Association.

All fees paid in full on or before registration night 7th February will receive a discount (refer to the affiliation form for details). A further discount will be given to players or parents who volunteer to coach any of the teams for the season., also the families that assisted with the Long Weekend Bar B Que in June 2011.

A table outlining the fees and uniform costs for 2012 is provided for your information on the Affiliation Form

Uniforms

It is compulsory prior to the commencement of the season that all players have their own official club uniform. Players who are not in the official uniform for games will not be permitted to take the court. If you are ordering a new uniform, please note that payment must be made in full before your uniform will be provided to you.

Sizing samples will be available during registration, and it is strongly recommended that sizing is checked for each player, as the Club will not accept responsibility for incorrect sizing.

Sponsors

Athletes Foot Karrinyup & Claremont Shopping Centre are again sponsoring the Club - to keep this sponsorship going and make it work for both the sponsor & the Club please purchase your netball shoes and other sports gear, at either shop – they also have school shoes for our Sub Juniors. When you go to the shop PLEASE make sure that you say you are from Storm Netball Club or else nothing is recorded against our name and they do not know we have been in there.

Espresso Café & Espresso Home Noranda Shopping Centre has also agreed to sponsor us – again we MUST support them or they will not support us. As my family can testify to the great food, coffee and milkshakes it is worth the trip. If you are looking for something unusual for a gift Espresso Home is a great place to go. I am not allowed into the shop with my wallet

Pre-season training will commence on Tuesday 14th February 2012 at 6.30pm for all players (Open and 17& Under) 5.00pm for Sub Juniors.

The way you approach your pre-season training will help determine what grade you will play in during the season in addition to the grading games. So start getting fit and thinking as to what standard of netball you want to play. Come prepared to train!

Training

Training for Storm Netball Club will be held on Tuesday nights between 6pm and 9pm on courts 27, 28 and 29 for all Senior & 17 & Under Players, 4.30pm for Sub Juniors. Your team's timeslot for training will be determined when teams are established.

Attendance at training is compulsory. This year will see the re introduction of "no training – no game"

Fundraising and Volunteering

We will have the chocolate frogs as a Fundraiser. All players will be required to participate in fundraising activities.

As with each new season, we are asking players, past and present to offer their services to coach a team or umpire games. The Club would like to see the players in the first 4 senior teams offering their services as a coach. Umpiring and Coaching courses will be provided during the season.

In addition to fundraising and coaching, volunteers are required to assist with the reordering of uniforms, collection of moneys on training nights and organising the various Club activities during the season. Any assistance you can offer the Club is appreciated, please see Kerry or Naomi about ways in which you can contribute.

Other matters:

If any teams borrowed bibs during the Spring season, please ensure they are cleaned and returned to the clubroom before training commences.

These are a few of the professional personnel within our Club. These people have kindly offered our club members reduced prices. If you are able to do the same, please advise Kerry Gates so we can help you advertise your products or services.
